Dear ▉▉▉▉▉▉

**Request for Information**

I write further to your request FOI ID 31540 under the Freedom of Information Act 2000 regarding:-

Impact of Online Child Sexual Abuse (OCSA)'

Your request is set out below in italics:

Child and Adolescent Mental Health Services (CAMHS):
1.When sexual abuse is disclosed (at any point in assessment/treatment) is there a local policy or a standard way in which this should be recorded (e.g., description within case notes)? a. Do these policies refer to sexual abuse that occurs online (e.g., social media, internet contact made, sharing images)?
2.List all assessment tools that make references to a patient's online life (i.e., assessment mentioning young people engaging with social media, frequency of use of the internet) a.Indicate if assessment tools ask about: i. Online child sexual exploitation (colloquially referred to as 'online grooming') Y/N ii. Youth-produced sexual image 1. Sextortion Y/N 2. Non-consensual sexual images Y/N iii. Live streaming Y/N iv. Abuse through production, dissemination, or possession of child sexual abuse material (videos or images) Y/N
3.What support and interventions do you offer to a service user who has experienced technology-assisted sexual abuse? a. Is the support or intervention offered specific to technology-facilitated sexual abuse?
4.Is training provided to staff on online harms and the impact of technology-assisted sexual abuse young people? a. If yes, what does the training cover?
5.Any further comments.
  **KMPT do not have a CAMHS service and therefore cannot provide the requested information**

SARC: 1. Are there policies or a standard way to record technology-assisted sexual abuse when it is disclosed (at any point in assessment/treatment)? a. If yes, please list the policies. 2.List all assessment tools that make references to a patient's online life (i.e., assessment mentioning young people engaging with social media, frequency of use of the internet) a. Indicate if assessment tools ask about: i. Online child sexual exploitation (colloquially referred to as 'online grooming') Y/N ii. Youth-produced sexual image 1. Sextortion Y/N 2. Non-consensual sexual images Y/N iii. Live streaming Y/N iv. Abuse through production, dissemination, or possession of child sexual abuse material (videos or images) Y/N 3. What support and interventions do you offer to a service user who has experienced technology-assisted sexual abuse? a. Do these support or interventions involve referral to mental health services? i. If yes, are these mental health services located outside or within the NHS system? 4. Is training provided to staff on online harms and the impact of technology-assisted sexual abuse young people? a. If yes, what does the training cover?
  **KMPT do not have a SARC service and therefore cannot provide the requested information**

## We are proud to be smoke free

Trust Chair – Dr Jackie Craissati
Chief Executive – Helen Greatorex

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter.   If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of
The Information Governance Department
