Your request is set out below:

1. Please can you tell me how much money Kent and Medway NHS and Social Care Partnership Trust has applied for to fix issues related to reinforced autoclaved aerated concrete (RAAC) in the building in the last 10 years. If there are multiple hospitals looked after by this trust, please separate the sums applied for each. I would like the amounts requested, who it requested from and the dates of submission, then the amounts received, who it was received from and the dates of receipt.

KMPT have not fixed any RAAC issues over the last 10 years.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.
