Dear [REDACTED]

**Request for Information**

I write further to your request FOI ID 44593 under the Freedom of Information Act 2000 regarding: -

Anti-Embolism Stockings

Your request is set out below:

I would greatly appreciate it if you would send me a copy of the NPM agreement your Trust has with their anti-embolism stocking (AES) supplier. AES is part of the Vascular Therapy and Associated Products Framework. I also need to know when this was signed and, if possible, who sent the email to the Trust requesting them to sign this agreement.

**The Kent and Medway NHS and Social Care Partnership Trust provide the mental health care and treatment for the area, we do not provide physical healthcare and therefore do not procure AES supplies.**

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of  
The Information Governance Department
