Dear [REDACTED]

**Request for Information**

I write further to your request FOI ID 44652 under the Freedom of Information Act 2000 regarding: -

Enoxaparin

Your request is set out below:

In 2023, of all the patients receiving enoxaparin, how many of them followed the posology of receiving injections once a day? And how many received injections twice a day?

**The Kent and Medway NHS and Social Care Partnership Trust is commissioned to provide the mental health care and treatment for the area. If a patient required physical health care or prescribed treatment this would be completed by the Acute Hospital Trusts in the area.**

**If the Trust were to look to collate the information you have requested as to patients prescribed enoxaparin and detail of daily injections it would require a manual exercise to identify and review clinical records and would exceed the appropriate time limits, as per the Freedom of Information Act 2000 section 12(1) which does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.**

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of  
The Information Governance Department
