Dear [REDACTED]

Request for Information

I write further to your request FOI ID 43610 under the Freedom of Information Act 2000 regarding: -

Pregnancy Related Services

Your request is set out below:

Please provide the total number of patients in which their treatment was coded as Pregnancy with abortive outcome using one of the following ranges: O030-O39 Spontaneous abortion, O040-O049 Medical abortion, or O070-O079 Failed attempted abortion – I have included a full set of the required ICD-10 codes at the bottom of this request.

For each individual code, as noted below, I would like the totals for each twelve-months period from 01 January 2017 to 31 December 2023. My preference is the totals in each calendar year, Jan-Dec, but understand if you are only able to provide this in your chosen financial years, e.g., April – March, in which case from 01 April 2016 to 31 March 2024.

The Kent and Medway NHS and Social Care Partnership Trust are not commissioned to provide pregnancy related services which would result in the below requested outcomes codes. These services are provided by the Acute Trust's in the Kent and Medway area.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

We are proud to be smoke free

Trust Chair – Dr Jackie Craissati
Chief Executive – Sheila Stenson
