Dear [REDACTED]

Request for Information

I write further to your request FOI ID 43232 under the Freedom of Information Act 2000 regarding:-

Non-UK Nationals Treatment and Charges

Your request is set out below:

For both questions I would like the figures for each year, not one figure covering all three years.

- Please provide the total number of patients treated with a non-British national code (i.e not White British, Asian British or Black British etc.) for the last three financial years, or the last years for which you have statistics. Please also provide the total number of patients treated.

Year	Total patient number	Of these, total non-British
2021/22	57611	5887
2022/23	53916	6024
2023/24	55517	6686

The data that has been provided in the table above is based on ethnicity and does not consider citizenship, for example a patient may have an ethnicity of non-British however they may in fact be a British citizen and are therefore funded.

- What is the total amount in charges you have issued for treatment given to non-UK nationals for the last three financial years, or the last three years for which you have statistics. What is the amount that you have successfully recovered over the same time period?

Kent and Medway NHS and Social Care Partnership Trust do not charge for non-UK nationals. This is managed via our contract with the Kent and Medway Integrated Care Board.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

We are proud to be smoke free

Trust Chair – Dr Jackie Craissati
Chief Executive – Sheila Stenson
