Dear [REDACTED]

Request for Information

I write further to your request FOI ID 47452 under the Freedom of Information Act 2000 regarding: -

Ransomware Attacks

Your request is set out below:

I would like to request under the Freedom of Information Act details on ransomware attacks on your organisation between 2019 and 2024.

For the avoidance of doubt, a ransomware attack is a type of cyberattack which prevents an organisation accessing their own files or computer networks after criminals manage to infect the system with malware. These type of attacks involve the criminals demanding payment for a key to restore access to the files. In particular, I would like to know the number of ransomware attacks on your organisation between 2019 and 2024.

I would like to know the number of successful attacks on your system.

0

I would also like to know the cost of these attacks on your organisation, including the amount of ransom or payments made to restore access to your systems.

N/A

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

We are proud to be smoke free

Trust Chair – Dr Jackie Craissati
Chief Executive – Sheila Stenson

On Behalf of
The Information Governance Department
