Dear [REDACTED]

Request for Information

I write further to your request FOI ID 44837 under the Freedom of Information Act 2000 regarding: -

MCUG or VCUG Procedures on Children

Your request is set out below:

I am wondering whether you would be able to provide the most up to the date data on the frequency of this procedure on young children in your region and under what circumstance are these procedures carried out? Would you be able to provide the number of procedures carried out each year over a ten-year period? Would you be able to assist me in getting this information?

The Kent and Medway NHS and Social Care Partnership Trust are commissioned to provide the mental health care and treatment for adults in the Kent and Medway area. We are not commissioned to provide any children's physical health procedures.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of
The Information Governance Department
