Your request is set out below:

Could you please provide and specify the number of beds for each sub-category that are listed in the Excel attached from columns D-AG, split by the following information:

- 1.) Name of each hospital in your trust

Please note that where the Hospital Site Gender is recorded as mixed means that there are several individual wards on that hospital site. The Trust has had no mixed gender wards since March 2023.

The below data reflects how beds are recorded on our master patient electronic record, Rio at a point in time and may not reflect the total beds within a ward for example some could be closed for refurbishment.
