Dear [REDACTED]

Request for Information

I write further to your request FOI ID 48802 under the Freedom of Information Act 2000 regarding: -

Federated Data Platform

Your request is set out below:

I would like to see all emails, documents, attachments, and any other forms of response relating to this request between Kent and Medway NHS and Social Care Partnership Trust and the two senior NHS officials, Dame Emily Lawson and Vin Diwaker.

We have completed a search of our network and confirm we cannot locate any emails, documents or any other form of correspondence from the named NHS officials.

We have recently received the attached email invitation from NHSE in relation to attending a Mental Health Workshop in relation to the FDP.

I would like to know when specifically, you plan to start adopting the FDP and who you are naming as lead (as is requested in the letter)?

Nigel Lowther – Deputy Director of Business Intelligence

I would also like to know what your plans are for how you will maximise the benefits of the Federated Data Platform to deliver better joined-up care for their patients within the next two years (again, asked of you in the above-mentioned letter)?

The Trust at this stage have no plans in relation to how the FDP will be used. We are looking to attend the workshop which we hope will provide some further information to better inform discussions around the use of the FDP within our Mental Health Trust.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

We are proud to be smoke free

Trust Chair – Dr Jackie Craissati
Chief Executive – Sheila Stenson

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of
The Information Governance Department
