Dear [REDACTED]

Request for Information

I write further to your request FOI ID 43429 under the Freedom of Information Act 2000 regarding:-

Eating Disorders

Your request is set out below:

1. How many patients with diagnosed eating disorders (e.g. anorexia, bulimia or others) have been discharged from eating disorder clinics run by your trust because they have been marked as untreatable or for reasons other than making a recovery?
2. How many patients with diagnosed eating disorders (e.g. anorexia, bulimia or others) have been referred to, advised to have in-patient or at home palliative care?

For both these queries, I am speaking about the total number of patients (adults and children) and I would like to know the number for the years a) 2022, b) 2023 and any data you have for c) 2024 so far.

The Kent and Medway NHS and Social Care Trust are not commissioned to provide Eating Disorder care and treatment, this is provided by the North East London Foundation Trust.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

We are proud to be smoke free

Trust Chair – Dr Jackie Craissati
Chief Executive – Sheila Stenson

On Behalf of
The Information Governance Department
